Dear Representative Guerra:

As you know, the Texas and Southwestern Cattle Raisers Association (TSCRA) is a 139 year-old trade association and is the largest and oldest livestock organization based in Texas.

TSCRA has over 17,000 beef cattle operations, ranching families and businesses as members. These members represent approximately 50,000 individuals directly involved in ranching and beef production who manage 4 million head of cattle on 76 million acres of range and pasture land primarily in Texas and Oklahoma, but throughout the Southwest.

Thank you for your strong support of free enterprise, private property rights, and the cattle industry. Please accept this contribution for your campaign for re-election to the Texas House of Representatives. Please feel free to list the Texas and Southwestern Cattle Raisers Association PAC (TSCRA PAC) as a supporter on any printed and/or online materials.

Please contact Jason Skaggs at 512-469-0171 or at jskaggs@tscra.org if you need anything additional from TSCRA PAC. We look forward to working with you.

Sincerely,
